YT-Read™

YT-Read™ is the ultimate EMV and PCI certified device that connects to any merchant's solution or 3rd-party system to accept contact and contactless payments, letting retailers decide what their user experience should be. Businesses can use their smartphone or tablet as a unique interface to process card payments and display additional core applications. Perfect for SMEs and freelancers that need to accept small amounts, the lightweight, portable, and handy YT-Read™ is an affordable point-of-sale (POS) solution.

FAST AND SECURE PURCHASING
EXPERIENCE **MADE AFFORDABLE**
