AMENDED FORM 8937 - Report of Organization Actions Affecting Basis of Securities

Issuer Return: Filed on website by January 31, 2018 under Regs. §1.6045B-1(a)(3).

Stmts to Shareholders: Filed on website under Regs. §1.6045B-1(b)(4). This form will be maintained on the public website through January 31, 2028 (ten years).

Reason for Amendment:

Jabil Inc. paid the following cash distribution: date of record dividend payment of August 15, 2017, payment date of September 1, 2017 for \$.08 dividend per share. The original Form 8937 was filed to report that the cash distribution paid on September 1, 2017 was expected to be in excess of earnings and profits such that it is considered a return of capital.

The amended Form 8937 reflects the expectation that Jabil Inc. will have sufficient current earnings and profits for fiscal year end 2018 such that the cash distribution paid on September 1, 2017 will be considered a dividend. Therefore, Form 8937 is not required to be filed and the amended form reflects the inapplicability of the form for this distribution.
